

## Department of Electrical and Electronics Engineering

The department provides engineering education on the subjects of electrical machines, electrical plants, circuits and systems, electronic and electromagnetic fields and microwave technology, telecommunication, control and remote control systems at undergraduate and graduate levels.

At the Master's level, it is aimed to gain the ability to conduct scientific research and to offer solutions to the problems. At the PhD level, it is aimed to analyze the scientific subjects from a broad and deep perspective and to contribute to the science with new syntheses.

### Academic Staff

Prof.Dr. Ali Fuat Boz  
Prof.Dr. Raşit Köker  
Assos.Prof. Murat Karabacak  
Assos.Prof. Faruk Yalçın  
Assos. Prof.Akif Akgül  
Asst. Prof.Ahmet Karaca  
Asst. Prof. Halil Arslan  
Asst.Prof. N. Berna Teşneli  
Asst.Prof. Erdal Büyükbıçakçı

Prof.Dr. Abdullah Ferikoğlu  
Assos.Prof.İhsan Pehlivan  
Assos.Prof. Yavuz Sarı  
Assos.Prof. Sezgin Kaçar  
Asst.Prof.Metin Varan  
Asst.Prof. Üyesi M. Server Fırat  
Asst.Prof. Üyesi Barış Boru  
Asst.Prof. M. Zahid Yıldız

### Graduate Programs

- Master Programs with Thesis
- PhD Programs
