

DEPARTMENT OF PHYSICAL EDUCATION AND SPORT TEACHING

In our department, there are Physical Education and Sports graduate program, psycho-social fields in sports graduate program and Physical Education and Sports doctorate program. Postgraduate education is carried out with a multidisciplinary approach together with teacher training areas and teaching methods. In addition, depending on the support of interdisciplinary studies, opportunities such as taking courses from other departments are provided. Along with providing an education that supports the multidimensional development of graduate education students, it aims to develop their research and application-based analysis skills.
